**1961 PENN YAN Coquette 14'.** Owner says: "Lapstrake construction. The Coquette was made by Penn Yan in upstate NY. Perfect for small family skiing or pleasure boating. Will plane easily with smaller motors but will take up to a 40hp. There are no holes or rot on the boat. The transom is perfect and was refinished by me in 2004. The boat is painted white with blue ice on the bottom. Painted in 2004. The inside is classic Bristol beige and was professionally painted in 2005 by Thomson Boat Works in Norfolk, CT. At that time they also replaced & leveled the floor boards & rearranged them to the original placements. The steering wheel & column was adjusted to the proper tilt. Thomson also refinished the wood strips around the dashboard and also the dashboard itself. Seats replaced with new mahogany bench seats.
