

VINTAGE MAHOGANY SPEEDBOATS

According to the U.S. Post Office website, they will be issuing stamps next summer "...celebrating vintage mahogany speedboats. These four stamps showcase the polished mahogany and gleaming chrome hardware that characterize the nation's historic wooden motorboats. These vintage watercraft, still in use today, were built by four manufacturers." The stamps depict these boats:

FROLIC, a 1915 Hutchinson Brothers launch
DUCKERS, a 1954 Chris-Craft Racing Runabout

THUNDERBIRD, a 1939 Hacker-Craft commuter boat
DISPATCH, a 1931 Gar Wood triple cockpit runabout

Dave,

We have found a home for our boat through your publication. Thanks for all your help.

1940 HUNTER SEDAN CRUISER 30' – SAVED!

A man in Connecticut saw the ad and had a friend nearer to us from Williamsburg, VA take a look at it for him first. VA was favorably impressed so CO then made the trip to see her. CO decided against but VA decided for. We passed her title on to the man from Williamsburg (I should say donated it) who is busy getting her ready to tow to Norfolk to continue her restoration. He is experienced at restorations and we are happy to see her in his hands. She was getting to a point where I don't think she could have lasted another season. Thanks so much for all your help and the service you provide for these old boats.
