

1940 CHRIS CRAFT DUAL CABIN ENCLOSED BRIDGE CRUISER 33'

1940 CHRIS CRAFT DUAL CABIN ENCLOSED BRIDGE CRUISER 33'. Quarter Deck Design. Hull #33647, sound condition, correct hardware, MR engine, some restoration done with much left to do. Hull, deck and interior stripped. Newly rewired. Asking: \$6500. **(CO)**

Owner says, "I bought the 1940 Chris-Craft four years ago from a man doing a restoration. It was in the water at Lake Dillon, Colorado. I talked to a woman from New Jersey who was a previous owner so the boat is from the East Coast and has been in Colorado since about 1995. The hull is very sound with very little dry rot. I have many more detailed pictures available so please call or e-mail anytime." Same model as featured in "The Brass Bell", Winter 2005. Specifications are in "The Essential Guide", page 98. 1995 dual axle trailer included. Any questions call: - Mike Noland @ (h) 303-789-5206 (w) 303-331-0400 x 62 or e-mail at HannahN@aol.com

1940 CHRIS CRAFT DUAL CABIN CRUISER 33' - AFT VIEW

1960 CHRIS CRAFT SEA SKIFF 27'. Hull needs rib, foredeck and gripe repair/replacing. Requires advanced restoration capabilities/desires. Will consider parting; windshield, 283 CC engine, drive line, bow rail, hardware, CC instruments, newer wiring including 30 amp charging system, Aria instruments, fluxgate compass, 2001 Magic-Tilt trailer. Will sell whole or in parts; hull is **FREE**.

The following are the owners idea for parting the boat:

Boat hull & gas tank	FREE
Engine, trans, fuel filter, lines shaft, prop, strut	\$500
Faria instruments, fluxgate compas, charger system, under dash wiring harnes, bilge pumps, 30 amp dockside electrical cord. All in "like new" condition	\$1500
Bow rail, cleats deck hardware, horns.	\$200
2001 saltwater dual axle trailer	\$1500
Steering system, rudder, wheel	\$200
Home made helm seats	\$100

Call Jim at 941-371-7434 or email jimbeam@atlantic.net. Boat & trailer are in Eustis **FL**, bow rails in Sarasota, **FL**.

1956 CONTROVERSY 26'

1956 CONTROVERSY 26'. Current owner needs to quickly find new home for SUNRISE, a 1956 Danish built, Cy Hamlin designed, Controversy 26' sloop. Photo is circa 1996 at mooring in Mystic CT. Owner says, "She needs some red-do but it is doable. Now located in Simsbury **CT**, she needs to be moved quickly. If I can't find a home for her soon the storage location will require that she be cut up. The idea of scrapping her is heartbreaking!" Contact Alan at 860-670-5678 or alanbaer@cox.net
