**1962 CHRIS CRAFT CONSTELLATION 36'.** Owner says, "This is very beautiful Mahogany wood boat with twin Chrysler 360, 260HP Engines (that run great), and a great cabin area with v-berth, fridge, sink, bathroom, etc. The majority of boat needs wood work, as it has dry-rot in the transom and the chine that runs on one side of the boat. I am selling this boat because I don't have the time to do the repairs. If you have the time, then you will have to no problem getting this boat fixed-up. Interior is dirty, but in good shape. The boat is being sold as-is, where-is. The boat currently is at a great boat yard in Sacramento, California where the work can be done. The boat stands and blocks will be included in the sale of the boat. Please serious buyers only. If you have any questions or want to see the boat in person e-mail me and I will give you the location of the boat. **Make me an offer!!**" CA Contact Syed at 916-541-5609 or hamdani@saccentral.net

1966 TROJAN HARDTOP 28'

**1966 TROJAN HARDTOP 28'.** Wood Carvel Construction. Beam: 11' 6". Jim says, "A clean boat with twin V8 AMC motors. They run very well and have been well maintained. She is a 28 footer with lapstrake construction, a swim platform and fully enclosed cockpit. She has teak decks and vinyl deck-house tops which are excellent. Boat has compressor fridge and pressure water system, head and cockpit. Bottom seams need to be reefed and recaulked. Some minor repairs on starboard sheer will also be needed. I have been on this boat many times and looked her over. She could be redone this winter with about a month's work. A hardtop is easily converted with a flydeck. This is a clean, classic that has been stored for a few years and she needs a new owner. Price has been reduced for immediate sale. The owner needs barn space." Asking: \$5000.
