1947 WINSLOW KETCH 32' -- PARTHENIA

1947 WINSLOW KETCH 32'. Owner says, “I have lost most of my free time, so I have to give her up. I have had her for ~ 17 years and have just slobbered some paint on her for the last couple. She is heavily built and an easy balanced single handed sailor with the way she is rigged. The Main mast is ~56 'tall (the mizzen is about 32') and she looks and feels twice her size underway. A real smooth ride, Edison steering locks her in, so you can walk around underway, will miss that. She can be used as she is or could go for a rebuild of any part of her you want... (Continued on Page 11.)

1923 ELCO CRUISETTE 34'

1923 ELCO CRUISETTE 34'. Owner says, “I am the 3rd owner of the 1923 34' Elco Cruisette 'JERSEY GIRL', originally(?) named 'WILD GOOSE.' A freshwater boat from Farmington, Maine, she spent most of her life on blocks and stands (cold up here!). Sometime in the 1930's she had a collision, damaging her bow section. Although this was repaired at a boatyard it resulted in a very minor droop in her forward section, from the stem to approximately three ribs back. At some point in the late 1970's...
