**1967 HATTERAS TWIN CABIN MOTOR YACHT 40'.** Owner says, "I own a 1967 Hatteras. I do not have the time or energy/money to keep her and would like to sell her as a project boat. The hull was painted in 2006 by Custom Fiberglass in Hingham, MA -- she runs great - original V853 Naturals. She does not need major stuff --- will sell for BO." **KNOW A BOAT THAT NEEDS SAVING?**

**1959 MATTHEWS CONVERTIBLE SEDAN 42'.** Owner says, "This may be a project boat that currently doesn't float, but is one of the greater classic boats built and worth saving. It has been under shelter for several years waiting to show off again for the right restorer. It would be a shame for it to be destroyed, but that may be the fate of this historic yacht if someone does not step forward. It was gas powered but has matched diesels ready for installation."

1959 MATTHEWS CONVERTIBLE SEDAN 42'

In an email to me, the owner went on to say, "The boat is under cover as you can see. She is available to the proper person at no charge if they move her. New Nibral props and stainless shafts go with her. Matched twin lay down 4-71's Detroit's for installation are available separately. The Matthews must be the most beautiful, but relatively unknown wooden boat available, however my life circumstances have changed. She deserves another chance at restoration, find a good home and proudly ply in the water. Thank you for your help."

Asking: **FREE** "to the proper person." Boat located Port Angeles, Washington. Contact Larry at 360-461-4508 or kahala@tfon.com **(WA)**

**1935 CHRIS CRAFT TWIN COCKPIT RUNABOUT 18'.** Mahogany hull. Owner says, "This is a rare unrestored example of this very desirable model. It needs a full restoration. Everything is there, including original engine and stern pole. Wood is in basically sound condition; it's not a pattern boat. Includes older but functional twin axle trailer. I have stored this boat too long and want to pass it on to someone who will restore it." Chris Craft Model A single inboard engine. Asking: \$9,000. Boat located St. Paul, **MN.** Contact Dan at 307-431-0159 or djhinderaker@live.com
