

"...NEEDS AND DESERVES TO BE LOVED."

**FREE** – 1946 HINCKLEY CUSTOM YAWL 36' – **FREE**

**1946 HINCKLEY CUSTOM YAWL 36'.** Owner says, "This Hinckley has had a long and convoluted story. According to Hinckley's original records this hull was customized with more options than any other built to this design. She had sitka spruce spars, teak decks, mahogany hull, white oak frames, everdur fastened, etc., etc. She was christened "CINDRILLON" and spent most of her life Duxbury, MA. At some point she made it down to New Brunswick, NJ and was in the possession of a PhD student at Rutgers University. She then changed hands and ended up with a former stock broker in Clinton, NJ. I came to own her 4 1/2 years ago and brought her to her current location in Lawrenceville, NJ. This boat needs and deserves to be loved. If you can prove you have the ability and or the money to restore her, then she is yours for the taking." Asking: **FREE** (details on page 2.) **(NJ)**

**1958 CHRIS CRAFT CONSTELLATION 35'.** Factory hardtop. Twin Model MCL 170 HP 6 Cylinder engines with Paragon reverse gears. Owner says, "All original hardware is aboard and in excellent condition needing only new chrome. Interior is original except the galley counter was altered slightly to accommodate a non-factory refrigerator. This big, roomy Chris Craft Constellation is for sale only as a full restoration project for our shop. Our goal is to return it to like-new or better-than-new condition. Above the waterline, the hull appears sound and in excellent condition. We expect to rebuild the bottom from the chines down. Virtually everything, inside and out, requires new finish work but we view that as an opportunity to turn this boat into a stunning example of a 50's era wood Chris Craft that stands out from the crowd, no matter which crowd it is! A potential buyer must have the means and desire to complete the entire project to the highest standards. \*Offered for \$7500 plus restoration." Also offering a 1970 Lyman Hardtop Sleeper 26' as a restoration project for \$6000 plus restoration. Vermilion, **OH**.
