

1959 THOMPSON SEA LANCER 17'

Outboard is a 1959 Evinrude V4-50hp original to boat. Trailer is original Gator and in good structural/mechanical condition. Will require some minor rib scarfing and bottom panel work (due to mice nesting under flooring and dry rot from 25 years of urination). All other wood components and floor are structurally sound. Engine fired and ran last year (2007). Many new original replacement parts on motor. Hate to see this one go, but I just don't have the time to complete her." Asking: \$1750 OBO. 1943 SEDAN CRUISER 30'

1943 SEDAN CRUISER 30'. Name: MISS-B-HAV'N. Owner says, "30' classic sedan cruiser, Brice Built, wood hull, kept in Seattle in fresh water, 6-cylinder gas engine, beautiful mahogany interior, pressure hot and cold water, Dirigo compass, depth sounder, VHF radio, shower, head with holding tank, refer/freezer, sleeps 4-6. Boat maintained in good condition with vintageness kept. Must sell as moving inland. More: keel laid Pearl Harbor Day, 1941 in a backyard here in Seattle, launched in 1943. I am third owner having kept her 27 years. Hull is very sound and has been well cared for and only big thing I would do is re-canvas her decks. There is always paint and varnish work to look after also. Contact April at msbhvn1@gmail.com **(WA)**

1954 LITTLE MARINER PLYWOOD CRUISER 21'. Owner says, Twin engines and controls. 1964 CHRIS CRAFT CHALLENGER 36' w/FLYBRIDGE.

Owner says, "This boat is very solid, I cannot find any rot on hull or superstructure. Boat is very original, engines were upgraded from Chris Craft 327's to Chris Craft 350's that were purchased from Chris Craft, Very low hours. The mechanics on this boat are very impressive. Everything is neat & professional including new fuel tanks with modern spin on water separator filters. New fresh water tanks & plumbing. New central AC system, new battery maintainer, all running gear seems to be in good condition. This boat was owned by one owner since late 1965 and was always professionally maintained & serviced by a Chris Craft dealer.

1964 CHRIS CRAFT CHALLENGER 36' w/FLYBRIDGE

Sleeps 6, all bright work was painted beige, could use to be repainted or stripped, stained & varnished for original appearance. Salon roof needs to be recovered & painted, has no rot. Except for the salon roof, the only thing this boat seems to need is cosmetic work. This is an excellent solid antique Chris Craft. If you are looking for a classic wooden cruiser project with minimum repairs required, this is the perfect boat. The boat is currently in Stony Point, **NY** and is available for viewing weekday & weekends by appointment only. Please send your # if you have any questions or if you would like to arrange to see the boat. The boat does have a recent survey which states the solid condition of this boat and it is insured by Hagerty Classic Marine Insurance Agency." Asking: \$7,200. Hull# CDA-36-0032H. Call 973-839-1066
