

**1950 OWENS CUSTOM CRUISER 33'.** (cont) "Time is of the essence because the boat yard she is in wishes her to transported out." \$1700 (negotiable). Contact Melissa or Michael at mmlehrer01@yahoo.com or 410-661-2792 (MD)

1960 CENTURY RESORTER 16'

**1960 CENTURY RESORTER 16'.** 170 Interceptor/Crusader gas 8 cyl engine. Owner says, "Boat is entirely restored, but keeps the original factory interior. Same owner since 1966. Always stored over water, original engine and carbs, nothing missing, only non-factory part is throttle control. No rot or leaks; carefully winterized each year. Ready to run or show. Sorry to let her go, but times change. Ol' Woody is far from needing any restoration. Just a little TLC. It's been maybe 6 years since the bright work was redone and a few plugs show some cracking and the bottom does need to be repainted. For a first time restorer it would be a simple project with spectacular results. Boat is in excellent running condition, tranny rebuilt two years ago." Asking: \$8500. Located: Kirkland, WA. Contact Ron at rrolsen@msn.com

1963 THOMPSON SEA COASTER 17'

**1963 THOMPSON SEA COASTER 17'.** With 1969 Mercury Outboard 100hp. Owner says, "This boat has been in my wife's family since new. It started out on Lake Michigan for a few years, owned by my wife's uncle. A couple of years later my father in law acquired it and he used it on lake Perry, north of Lawrence Kansas. We got the boat about 12 years ago when my kids were young and they learned to water ski behind it. When I got the boat, I had the starter rebuilt and rebuilt the carburetors and had the motor running very reliably. At one point, I was very into this boat. I added a depth finder, new pedestal seats, new bilge pump. (cont)

"I still have lots of the original manuals, the convertible top. I have cleaned it back up, but it needs work ( as all these boats do ) The hull needs to be repainted and there is cosmetic work to be done." Asking \$800. Boat located Lawrence, KS. Contact Stephen at Stephen.Crawford@va.gov

1947 CHRIS CRAFT CUSTOM ENCLOSED CRUISER 28'

**1947 CHRIS CRAFT CUSTOM ENCLOSED CRUISER 28'.** Hull # 28-001. Motors run Chrysler type M 14457 and 14458. Owner says, "She was in the water a couple summers ago for a test run. She needs lots of work but everything original is there. Trailer is for storage only. Boat is located in Lakefield Ontario. Spent the last 35 years or so in the Big Rideau in Ottawa Ontario. Asking: C\$6500. Contact Curtis at marie.elliott@sympatico.ca or 705-652-9378. (ON)

**1968 MACKENZIE CUTTYHUNK BASS BOAT 30'.** Owner says, "30' MacKenzie Cuttyhunk Bass Boat restoration project. Built in 1968, it is the second 30' hull out of 24 and the first with twin engines. The foredeck, windshield, covering boards, and steering station need replacement. The bottom hull, keel, and ribs are basically sound. A few planks above the waterline need partial replacement. The original parts are with the boat and can be used as templates. Powered by twin International 304 Palmer conversions (220 HP each). Boat out of water about 8 years, engines rebuilt 2 years prior to haul. Lapstrake construction with unique reverse lap on the bottom. 11' beam and cutty cabin sleeps 2." Asking: **FREE!** Call Dan at 207-878-1590 or dfoleary1@verizon.net. Portland, ME
