1957 LYMAN RUNABOUT 15'. 25 hp Evinrude and original Tee Nee Trailer. Owner says, "This boat has been in the family a long time. My father, while he was a student at Kent State, bought a small island and cottage on White Lake, outside of Arnprior, Ontario in 1957. His brother bought this boat. The boat spent every summer at White Lake. The brothers shared the boat and the cottage for many, many years. The boat was the sole transportation from the mainland to the circa 1918 cottage which has also been carefully maintained. We used the boat for fishing, cranky babies were taken for evening rides, and everyone has water skied behind it."

1957 LYMAN RUNABOUT 15' – SOOTHES CRANKY BABIES!

"When my father passed away the boat was given to me by my uncle. Sadly, it has not been in the lake since. We have been making the shore to island trip in an old aluminum work boat while we focus our resources on much needed repairs to the cottage. It is my hope to find another loving family for this boat that will care for it like my father and uncle did." Located in Peterborough, ON. Asking \$4,500 obo. Contact Nicole at nicolelees@cogeco.ca or 705-745-6225. **(ON)**

1940 KNEASS CRUISER 40'. Twin Gray Marine inboard gas engines, possibly model KLS, hours unknown, 105hp. Owner says, "Boat located in the San Francisco Bay area. Very original but reported to have a leaky bottom. Been in the water for quite some time. One engine not operational at this time; other ran recently. "Built by the GW Kneass boatbuilders of SF fame. They built all types of crafts from the 1880's until 1970's. The cruiser was a liveaboard for many yrs and now has lost its moorage. Unique history."

1940 KNEASS CRUISER 40'

This Kneass was originally posted on the Bone Yard Boats site in need of immediate rescue. A temporary home has been found, and the immediate need has passed. However, a long-term solution and restoration is still being sought. Asking: \$2000. Contact Jeff at JLSATMAN@charter.net **(CA)**

1956 THOMPSON TVT 14'

1956 THOMPSON TVT 14'. Possibly a 1957 Thompson V Type hull. Owner says, "Unique design makes this a one of a kind boat. The general condition is good with no signs of rot. Some attention is needed to repair a small hole in the bottom of the boat. This boat is less of a project but more in need of the attention a true collector could give. Comes complete with original trailer. No motor. In an attempt to move the boat I have adjusted the price to \$1500. It will be a "steal" for the right buyer." Contact John at 585-768-7381 or jcs6t6@yahoo.com. Upstate **(NY)**. Take note of the whitewall tires and chrome hubcaps of the trailer and the unique anchor setup on the bow reminiscent of a hood ornament on an old sedan automobile."

WANTED: 1952-1957 OLD TOWN LAPSTRAKE 15'. Center steering model. Prefer to be located in New England or New York. May be restored or restorable. Please contact Don at 978-887-5168 or email: vose@comcast.net.
