

... yellow pine planking with iron fastenings. Well-known and highly regarded owner/boat-builder recommends some structural planking and refastening be done. Also, cosmetic upgrading is required. However, this vessel is a seaworthy, fast, capable sailer. She has made many trips South to the Bahamas and an offshore trip to the Galapagos. We recommend this vessel to an enthusiast who has time, energy, and the capability to upgrade her to first class condition."

1937 ATKIN GAFF-RIGGED CUTTER 34'

Owner says, "The original owner, who commissioned her construction, had sailed around the world and wanted his new boat to have rattlins, and a low center of effort. This was easily achieved, due to her low aspect mast, making her comfortable and seaworthy in most weather conditions." Asking: \$9500. Call Gray & Gray at 207-363-7997 or 877-239-9212 or graygray@gwi.net. Dover, **NH**.

1957 CHRIS CRAFT COMMANDER 32'

1957 CHRIS CRAFT COMMANDER 32'. Broker says, "A boathouse kept classic, this 32 Commander bullnose express cruiser is in good condition throughout. She is structurally sound and the engines start easily and run well. The layout is perfect for a cruising couple including a full galley, spacious v-berth, nice dinette and a settee that converts to bunk beds. There is a propane heater for winter cruising. The cockpit has a hardtop and canvas enclosure for year 'round cruising. Tacoma Yacht Club boathouse and moorage space is available for purchase with the boat. Call for details." Asking \$9900. 1970 REV LINE HARDTOP EXPRESS 24'

1970 REV LINE HARDTOP EXPRESS 24'. 8-foot beam. Single inboard gas Chrysler V8. Owner says, "This boat has been idle for several years, and is shabby, dirty, but complete. A relatively moderate amount of work could probably get this boat running. It will be a lot of work to get her looking new again. Boat is located at the West End Boat Club, Essington **PA** on the Delaware. This boat has several "sister ships" in Essington. These boats are relatively light for their power and size (a 64 1/2 Mustang?) and leave a clean low wake. The windshield tips out. Put her on your trailer or put her in the water and tow her home." Asking \$200. Call Don 215-572-6951
