

...have Old Town canoe 1933 double ender." Contact Bill at 207-796-5576. Princeton, ME.

1961 THOMPSON OFFSHORE 20'

**1958 CARLSON CUTLASS 23'.** Jiffy reefing on main, #2 genoa, working jib, and storm jib, 2 older sails. Midget Ocean Racing Class. Spartan accommodations, salty, rugged weekender or coaster. Lead ballast. Owner says, "I want to move this boat by June as I have acquired a new one. It is in the water in Warwick, RI. It is turnkey but not maintenance free especially due to its unusual construction: glass encapsulated wood. The ideal owner would be a (young) guy who is hands on and not looking for luxury. I can tell you details of the boat all day as I have owned it and worked on it for twenty years. Here's a little bit: strip planked, edge nailed, Honduran mahogany on oak floors, built in Belize with hand tools. Midget Ocean Racing Class. Reverse shear. Glassed over in the 60's (?). In the 80's I got it, reglassed below the water line, rebuilt the fin keel, new skeg, new skeg mounted rudder, new interior -- spartan. Some new canvas in the 90's, new 5 hp Honda outboard two years ago. Asking \$7500. Contact Charlie at cwhwharfrat@gmail.com (RI)

1958 CARLSON CUTLASS 23' -- INTERIOR

**1959 DUTCH RACER 24'.** Owner says, "I have "adopted" an older wooden boat from a friend. I am told it was once surveyed as a 1959, 24 ft mahogany Dutch racing/cruiser. The second-previous owner began stripping it and disassembling it for plank and rib repair. It was delivered to me in "Heathkit" form; about 75 pieces. All accounted for, in numerous boxes and bundles. I wanted to begin her rebuild, but I have had neither the tools nor the facilities, especially winter storage. She has beautiful lines and I would love to see her...

...in a restored form, if possible." Owner is interested in donating boat to an appropriate organization or school that will see that she is restored. Contact Bruce at HRBrew@roadrunner.com or 207-653-6988 (ME)

1959 DUTCH RACER 24'

**1970 EGG HARBOR SEDAN CRUISER 37'.** Mahogany with oak ribs and teak decks. Twin International/Palmer V-8 300hp gas engines. Westerbeke 4 cylinder gas genset. Owner says, "I bought the boat about 14 years ago from the second owner. It has been in the Virginia Beach area for the past 20 years. It's currently in the water at the Cove Marina on the Little Creek Amphibious Base - U.S. Navy. I've had the right engine totally rebuilt because it swallowed an valve. I also rebuild the genset and put on a new electrical generating section. Hull good condition. Flybridge poor condition. Both engines run." Asking \$5000 OBO. Contact Ed at ejhayes\_99@yahoo.com or 757-487-8415 (VA)

1970 EGG HARBOR SEDAN CRUISER 37'

**1960 CHRIS CRAFT SKI BOAT 17'.** Owner says, "Very original and in one family on one lake since new. Extensive cosmetic restoration in 2001 and not used much since. Original 283 Chevy V8 has not run in several years. Lakefront cottage has now been sold and this boat is for sale for less than the cost of the restoration, \$10,000. The trailer is included but is marginal. We can arrange flatbed delivery or transfer to your roadable trailer." Contact Boyd at 860-693-4811. (CT) (photo on page 6, column #2)
