1967 PACEMAKER SPORT FISHER 38'

1967 PACEMAKER SPORT FISHER 38'. Mahogany hull. 12' beam. Twin Chevrolet gas inboard 250hp; overhauled 1997. Name REEL LAXIN. Survey conducted by Atlantic Marine Surveyors Sept 2007. Owner says, "Would be great if you could help me find her a good home. I have been restoring her for 3 years. She is a beautiful boat." Asking \$9000. Call Rae at 757-287-9098 Rae or raeatthebeach@gmail.com. (Norfolk, VA)

1966 PACEMAKER SPORT FISHERMAN 39'

1966 PACEMAKER SPORT FISHERMAN 39'. Teak decks. 14' beam. Mahogany hull and superstructure. Twin inboard Crusader 427s (320hp). Owner says, "The NOMAD has not been restored but is maintained and cared for with love. We've had the boat for 20 years, and it is a family fishing boat. On any weekend some of our children, some grandchildren, and now a few great children can be found. Our daughter had her wedding ceremony on the bow of the boat with reception on the dock. The only reason we are giving up this boat is we are slightly older and slower than we used to be. The boat will be in the water... and is available to see or for a test ride. Took a 2nd last 2 years with ACBS Philadelphia Chapter at the Tuckerton Antique and Classic Boat Show ." Asking \$10,000. Contact Andrew at 267-250-8653 or NomadIII@att.net. Egg Harbor City, NJ

1973 CHRIS CRAFT CATALINA 28'. Twin inboard gas 307ci engines. Fiberglass hull. Owner says, "One of fifty made. Everything is there but needs total restoration. Sleeps six, head, galley with AC/DC fridge interior in good condition. It was given to us for free because the previous owner just wanted to get rid of it. We worked on it for a while..."

FREE – 1973 CHRIS CRAFT CATALINA 28' – FREE

"... until my dad found a bigger Chris Craft in better shape, so he bought that and we started restoring that instead. Now like the previous owner, he's hoping someone out there would be interested in this one. Yup it's free. Really just want to get this to somebody who can actually make use of it." Asking **FREE!** Contact Tom (owner) at 609-396-4412 or email Max (owner's son) at MaxNardi@gmail.com. Tuckerton, NJ

1966 OWENS CRUISER 30'

1966 OWENS CRUISER 30'. Teak decks, mahogany hull. Twin inboard GM V8s ("great condition"). 14' beam. Owner says, "This is a 2 owner boat where the original owner named the boat for his wife "Lady Bug." The boat has always been on lake Pend O'Reille, deep, cold and clean. That has preserved the hull which is in excellent condition. Good solid boat, needs modernizing." Asking \$9000. Contact Keith at 208-689-3272 or kth.shannon@gmail.com. Bayview, Idaho. (ID)

1968 OWENS ARUBA 42'. Owner says, "We bought a 1968 [Owens] Aruba 2 yrs. ago, that was a "Boatel", (floating hotel). It is 3 stories, engine room, main floor and deck with patio enclosure, has 3 bdrms and 2 full baths. We didn't know what we were getting into until we had to move it and were told the power lines would have to be removed or we'd have to take off the 3rd story. We took down the 3rd story. It is 42' long and 13' wide. It is wood with mahogany interior. It is covered with an 80 ft. tarp and we are regretful of owning something so large. We'd like to sell it for no more than we've paid out, which is about \$5600. The engines were removed by the previous owner, but we do have some Chrysler engines we could include of our own. It is located in Greely, Ontario, Canada. We are about 1 hour from the St. Lawrence Seaway. It would cost about \$1200 to get it to the water. (Continued on Pg 10.)
