1959 CRUISERS INC. MARINER 100 RUNABOUT 13'. Beam 5'5". 1955 Johnson Seahorse w/electric start 25 hp and 1996 Mercury Tracker w/electric start 25hp. Owner says, "[Condition is] very good to excellent. The boat was stripped, repainted and revarnished and all hardware rechromed in 2000. It has new windshield frame, glass and molding. A new rear seat was also added. The trailer is a newer "Pacific" brand in perfect condition.

"The boat was purchased from a Northern Wisconsin Cruiser's Inc. dealer in 1959. The purchaser made it a condition of sale that the dealer would keep the boat in covered storage when the owner was not using it. The dealer agreed, apparently thinking that the storage agreement...

...would not last very long and the owner would sell or trade in the boat after a season or two. Unfortunately, for the dealer, this did not happen and storage arrangement was maintained from 1959 through 1995, even when the dealership changed owners. During these years, the boat owner used the boat 1 week per year. The boat was ultimately sold and shipped to California. It went through two owners, neither ever putting the boat in the water. The fourth owner fully restored the boat in 2000 and it was used occasionally. I purchased the boat in 2004 and it has been kept covered, inside a garage, to the present. I have all the receipts for the restoration work that was done on the boat and the Johnson outboard." Asking \$3950 (with both motors) \$3500 (with Johnson outboard only).
